

EXECUTIVE OFFICE OF THE PRESIDENT

BUREAU OF THE BUDGET

WASHINGTON 25, D. C.

Approp (Budget)

Dear Colonel White:

Thank you for submitting the Central Intelligence Agency financial plan for 1958 in accordance with Mr. Brundage's request.

Because of the special funding arrangements under which CIA operates, it will be most helpful to the Bureau of the Budget to receive certain supplemental data for your agency. I would therefore request that this office be supplied with a plan for fiscal year 1958 covering (a) obligations incurred and (b) combined civilian and military employment. These data may be arranged similarly to sections 1 and 2 of the financial plan already submitted and should be comparable to data in the apportionments and the regular status of funds reports.

It is further requested that, in the quarterly progress reports called for in Mr. Brundage's October 17 letter, information on obligations and combined civilian and military employment be substituted for information on budget expenditures and civilian employment.

Sincerely yours,

Robert M. Macy
